

The Primacy of Prayer 2
“Praying like Jesus”
Matthew 6:9-13 & Luke 11:5-10

Questions to Ponder

Abba Father

- Hallowed be your name
- Your will be done
- Daily bread
- Forgive as we have forgiven
- Keep us safe

What do you think of praying Jesus' prayer?

- In what ways is it challenging to you?
- In what ways are you already praying the way Jesus prayed?
- In what ways do you need to grow in your praying like Jesus?

Reflect on this scripture below and the story of the person seeking bread at night (Luke 11:5-8)

"And so I tell you, keep on asking, and you will be given what you ask for. Keep on looking, and you will find. Keep on knocking, and the door will be opened. For everyone who asks, receives. Everyone who seeks, finds. And the door is opened to everyone who knocks. Luke 11: 9-10

- What door do you need open?
- Will you continue to knock until God answers his best for your life?

Persistent and unrelenting

This week pray the Lord's prayer once in the morning and once at night. Notice how this impacts your week.
